

YTune - Privacy Policy

YTune - Privacy Policy

Effective Date: 23 May 2025

YTune ("we", "our", or "us") respects your privacy. This Privacy Policy explains how we collect, use, and safeguard your information when you use our music player platform.

1. Information We Collect

Since YTune is a free-to-use music player, we strive to minimize data collection. We do not require users to register or submit personal information to use the service.

However, we may automatically collect non-personal information such as:

- Browser type and version
- Operating system
- Usage statistics (e.g., play counts, session duration)

We do not collect:

- Personal identification details (name, email, address)
- Payment or billing information
- Precise location data

2. Use of Information

We use the limited information we collect to:

- Improve user experience and performance
- Fix bugs or errors

- Analyze aggregate usage patterns

We do not share or sell your data to third parties.

3. Cookies and Tracking

YTune may use basic cookies or local storage to save your settings or preferences (e.g., volume, last played song). We do not use tracking cookies for advertising.

4. Third-Party Services

If YTune integrates third-party APIs (e.g., for lyrics, album covers), those services may have their own privacy policies. We recommend reviewing them separately.

5. Data Security

While no online service is 100% secure, we take reasonable measures to protect your data from unauthorized access or disclosure.

6. Changes to This Policy

We may update this Privacy Policy from time to time. The updated version will be indicated by an updated "Effective Date".
